

Training Programme on CARBON MANAGEMENT: GREENHOUSE GAS (GHG) ACCOUNTING, NET ZERO, CARBON NEUTRALITY & CARBON MARKETS

15–17 December 2026

CWRDM, Kozhikode, Kerala

PROGRAMME AT A GLANCE

Duration: 3 Days

Mode: Physical

Venue: CWRDM, Kozhikode

Fee: ₹15,000 + 18% GST

Registration Deadline: 2 November 2026

ABOUT THE PROGRAMME

A focused training programme designed to build practical skills in carbon accounting, carbon footprinting, carbon neutrality and net-zero planning.

MEASURE

GHG Accounting & Inventory Development

MANAGE

Carbon Footprinting & Emission Reduction

TRANSFORM

Carbon Neutrality & Net-Zero Strategies

NAVIGATE

Carbon Market & Regulatory Framework

Instructions

- The Institute will not provide accommodation or TA/DA to the participants.
- The Institute will provide working lunch and refreshments during the training programme.
- Registration must be completed on or before 2nd November 2026.

About CWRDM

CWRDM is a premier R&D institution in the water sector established by the Government of Kerala in February 1978 under its Science and Technology Policy. Established as an autonomous research organisation to address R&D needs in water management, CWRDM was amalgamated with the Kerala State Council for Science, Technology and Environment (KSCSTE) in 2003. The Centre has made significant contributions to scientific hydrologic studies and water management, addressing watershed and wetland management, groundwater, water quality, agriculture, urban and forest hydrology, estuarine management, irrigation, drainage and related environmental issues.
