## **Rules and Regulations**

- Students should carry their School/College ID Cards with them at the venue of the competition.
- The competition is individual.
- The medium of competition can be English or Malayalam.
- Time allotted will be 5 minutes.
- Follow a storytelling framework to narrate climate-related social & environmental issues.
- Share a specific local memory or experience addressing any climate issue.
- Explain your personal stake in protecting the environment and tackle the issue.
- Framing climate action as an act of stewardship, highlighting community champions.
- State actions for now to avoid worst climate impacts.
- Evaluation will be based on the narrative style, content, theme, and timing.
- Do not use digital presentation slides or any physical properties.
- In case of any disputes, the decision taken by organizers shall be considered final.
- If any team is found misleading the organizer or using unfair means to win, the organizer reserves the right to disqualify the team at any stage of the event.
- Cash prizes will be awarded to the winners (first and second).
- Certificates will be issued to all the participants.
